

It has been another wonderful year of keeping *real* radio alive on the NYC airwaves and streaming great music to listeners around the world.

Over the past year, we've strengthened our roster of fantastic hosts, introduced fresh programming to the format you already enjoy, and we're excited for even more surprises ahead!

Thanks to your support, we completed important engineering upgrades that improved our sound, boosted reliability, and set the stage for continued growth.

Our volunteer hosts devote their time to sharing music and bringing joy to your day. We rely on your generosity to meet our operating needs, and every dollar goes directly back into the station.

As a 501(c)(3) nonprofit, your donation is tax-deductible and essential to our future, and this year we're thrilled to offer newly designed WFDU gear to show our appreciation.

Please consider contributing today.

Your support truly means the world to us, and we are deeply grateful to have you as part of the WFDU community of friends.
